COP 16
Established the process to formulate and implement NAPs. This to enable the LDC Parties to formulate and implement NAPs with a view to identify medium- and long-term adaptation needs, and develop and implement strategies and programmes to address those needs.
Invited other developing country Parties to employ the modalities formulated to support NAPs.

LEG
LEG's mandate was renewed for 5 years (2011-2015) and expanded to include support to the LDCs on the revision and update of NAPAs, the LDC work programme, gender considerations and considerations of other vulnerable communities, and medium- and long-term adaptation.

COP 24
Mandated the LEG and the AC continue to update the compilation of gaps and needs related to the process to formulate and implement NAPs, including at the country level, and the ongoing activities of the LEG, the AC and relevant organizations related to addressing those gaps and needs.

LEG
Published the second assessment on progress in the process to formulate and implement NAPs.

COP 17
Invited Parties, constituted bodies under the Convention, operating entities of the Financial Mechanism, United Nations organizations, and bilateral, multilateral, intergovernmental, and other international and regional organizations to provide information related to the process to formulate and implement NAPs.
Requested the development of NAP guidelines to be reviewed by the Adaptation Committee.
Established the two objectives of the NAP process and its four elements.
Developed the GCF Operational Guidance country Parties using thematic funding windows, with NAPs identified among the plans to be funded.

LEG
The LEG introduced an annual report on this very progress, assessing how each UN organization is advancing in supporting the countries.
The information collected from other organizations includes measures undertaken by developing country Parties, support provided and received, experience gained, best practices and lessons learned.

COP 20
Invited LDC Parties and interested developing country Parties that are not LDCs to forward outputs, including NAP documents, and outcomes related to the process to formulate and implement NAPs to NAP Central.

LEG
Organized the first regional workshop on NAPs for 2014-2015, in collaboration with the NAP global support programme for LDCs, for Pacific LDCs but also open to non-LDCs developing countries.

COP 18
Mandated the GEF to provide funding for activities to enable the preparation of NAPs through the LDCF for the LDCs and through the SCCF for developing countries that are not LDCs.

LEG
 Developed technical guidelines for the formulation and implementation of NAPs and organized an expert meeting to review guidelines.

COP 21
Requested the GCF to expedite support for the LDCs and other developing country Parties for the formulation of NAPs.
GCF opened a window for funding under its readiness support.
